

**Welcome to the Foundation for Physical Therapy Research's (FPTR) online submission system!
proposalcentral.com**

To start the letter of intent (LOI) submission process, register by clicking on “need an account” At the registration screen, either create an account using your ORCID iD or create a username, submit your first and last name, email address, create a password and choose a challenge question and answer. Please record these details, to log into the system in the future.

If you choose to create an ORCID iD (which will be required if you are awarded) click that link instead. Then follow the prompts behind, Don't have an ORCID iD yet? Register now

Per ORCID's [terms of use](#), you may only register for an ORCID iD for yourself. Already have an ORCID iD? Sign In

Once you have registered, return to the ProposalCentral main page. Click on the Applicant tab and provide the credentials you created with ProposalCentral. Once you are logged into ProposalCentral, navigate to the Professional Profile tab. Here you will link your created ORCID ID account with your ProposalCentral account.

After logging in and connecting your ORCID ID, you will navigate to the “Grant Opportunities” tab and enter “Physical Therapy” into the search box. This will take you to all the open solicitations with physical therapy in the title. Be sure to choose awards from the Foundation for Physical Therapy Research. Click the “Apply Now” button next to the mechanism of your choice. Fill in the information working from the top down and click save. You will see steps along the left side of the website to follow. To submit an LOI upload your biosketch to the system.

To return to the list of open solicitations and/or submitted/pending applications, click on the Home icon located at the top of the screen. When working on an application, you are able to work on portions, save, and return to it an unlimited number of times until you submit it (by clicking “FINALIZE”). Even once it is finalized, you are able to modify and re-submit your application until the submission deadline, however, you must 'un-submit' your application first and re-validate to finalize. Once the deadline passes, no changes can be made.

Important Points:

- Review this solicitation’s corresponding Guidelines document before preparing a LOI.
- To ensure that you do not lose any information, save your work often (click “SAVE or NEXT”). You can return to your submission by clicking “resume” under the mechanism on the Home page.
- No exceptions to the submission deadline will be made. **FPTR** will not be responsible for late LOIs or materials. It is your responsibility to ensure that your LOI is ready for submission in a timely manner. Plan to allow adequate time for technical assistance to resolve issues if needed.
- Read all instructions carefully and follow them closely.

- **Regarding Attachments:**

- **Attachments must be submitted in Adobe PDF format.**
- **Note that, where applicable, the template or form to be used is located in the download templates and instructions link then each file, once prepared is uploaded to the Attachments tab.** These links contain prompts for the information and also contain the desired formatting settings (e.g., margins should be set at ½ inch and font should only be Arial, size 11 or 12). **Label the start of each section with the appropriate heading title.** We strongly recommend that you download and use the form when completing your LOI. Word files should then be converted to Adobe PDF for uploading.
- **Please note** that page limits defined in each section are for the Adobe PDF, not the Microsoft Word document prior to conversion to Adobe PDF. When creating Adobe PDF files, do not alter default font and margins. Once you have uploaded Adobe PDF files, make certain that the information has uploaded, correctly and files are not corrupted
